"Weave-It" Designs For Baby

vol. no. 9

HERO MFG. CO., INC. MIDDLEBORO, MASSACHUSETTS

Suggestions from the Designer

The items in this book were designed with the hope and intention that they would serve as a guide and inspiration, in order that you might find new and more interesting ways in which to use the "WEAVE-IT". Unlike knitting and crocheting, you needn't worry about size or gauge; each square comes out the same size every time. It takes less time and less yarn. This is something in which the whole family can participate; the very young and the very old can easily learn to wind and weave the squares. Men have practiced the art of weaving, down through the ages. So the male members may wish to help also. Why not discover the fun of working together with your family on a "WEAVE-IT" project?

General Directions

When making an afghan or garment, sew squares into strips whenever possible. Then sew strips tog following diagrams. Fill corners by making a stitch through the finishing off slip knots. Bury loose ends by weaving them back an inch or so on wrong side. Split all four-ply yarns before finishing ends. When using new or different color yarn for sewing squares together, weave in the loose ends left on the square and tie a slip knot before starting. 4" sq takes less than 7 yds of yarn, a Jr sq less than 2 yds.

To Block

Working with wrong side facing, press each section carefully through a damp cloth before assembling more than one section. Press all seams on wrong side through a damp cloth, taking care to keep square straight.

For embroidered pieces, lay embroidered side on terry cloth before pressing as above.

To Cross-Stitch

Each cross-stitch should cover 2 strands of weaving in either direction, and all the stitches that are of the same color in a vertical row should be made, then they should be crossed, so that all top stitches slant in the same direction. See illustration.

Where the blocks are sewed together the space required for the seam and one thread of the square is equal to a mesh for cross-stitching.

Sew each side tog from A to B and B to C. Turn corners D at neck front to wrong side, along dotted fold line (forming a curve as you work), and tack edges lightly into place.

Cuff: With right side facing and crochet hook, attach yarn at bottom edge of sleeve, and work 24 sc evenly along edge of sleeve. Ch 1, turn. Work a second row of 24 sc. Fasten off. Sew sleeve seams tog, from underarms C to crocheted cuffs (including cuffs).

Front, Neck, and Bottom Edging: Mark place for 5 buttonholes (on left front for boys on right front for girls). See diagram for placing. With right side facing, attach yarn at left front neck. Row 1: With 3 sc in each corner, work 1 row sc down left front, across bottom edge, and up right front to right neck edge, placing sts to keep edges flat. Ch 1, turn.

Row 2: Work 1 row sc with 3 sc at each corner.

Collar Edging: With right side facing, attach yarn at neck front D. Work 1 row sc with 3 sc at corners, down front edge, across lower edge, and up other front edge to D (see dotted line). Ch 1, turn and work another row of sc with 3 sc at corners. Fasten off. Sew on collar with front edges 1/2 inch in from front opening of jacket, and matching the center backs. Block seams lightly. Sew on buttons opposite buttonholes.

SOAKERS

Weave 12 large squares. Assemble as shown. Fold leg folds to wrong side along dotted lines, matching corners X and tack edges into place. Fold corners Y to wrong side along dotted fold

lines and tack edges into place. Sew seams tog from X down to Y (see diagram). Block lightly. **Waistband:** With right side facing and No. 4 needles, attach yarn. Pick up and knit 73 sts along top edge for waistband. Then work as follows:

Row 1: P 1, * K 1, P 1; repeat from * to end.
Row 2: K 1, * P 1, K 1; repeat from * to end.
Repeat these 2 rows until 5 rows have been worked in all (about 1/2" from beg). End with Row 1.
Beading Row: K 1, * Y 0, K 2 tog; repeat from * to end. Now starting with Row 1, repeat Rows 1 and 2 until work measures 1/2 inch beyond beading row. Bind off loosely in rib pattern.
Finishing: Fold in half at side fold and sew other side seam tog from A to B, including ribbed waistband.

Leg Edging: With right side facing, attach yarn at crotch seam Y. Work 37 sc around leg opening. Join with sl st in first sc. Ch 1, turn. Work another row of 37 sc around leg opening. Join and fasten off. Work other leg the same.
Twisted Cord: Cut 3 strands of yarn 2 yds. long. Having someone hold opposite end, twist strands in one direction very tightly, until cord starts to buckle. Fold twisted strand in half and twist in opposite direction not so tightly. Knot ends to prevent unraveling, and trim ends evenly to form small tassels. Thread cord through beading row and tie into bow at center front.

HELMET

Weave 6 large and 6 Jr. squares. Assemble as shown. Pin corners A to wrong side along dotted fold lines, shaping a curve as you work and tack edges into place. Fold side piece in half at center back and sew tog at center front. Pin front edge to wrong side along dotted fold lines, tapering from nothing at corners E to 3/4 inch at seam D, and shaping slight inward curve as you work. Tack edges into place.

Top Piece: Fold each corner to wrong side along dotted fold lines and tack into place, shaping slight curves as shown. **Edging:** With right side facing, work 1 row sc around entire top piece. Join and fasten off. Block pieces lightly. Fit top piece to top edge of side piece, matching C and B markings, easing side piece as necessary, to fit. Make a pom-pom, according to directions on Pom-Po-Nette package, and fasten securely in middle of top piece, as shown on diagram.
Crocheted Edging and Strap: With right side facing, attach yarn at X marking on lower edge. Row 1: Work 1 row sc around entire lower edge (sides and fronts and neck back). Join with sl st in first sc, then sl st across next 2 sc.

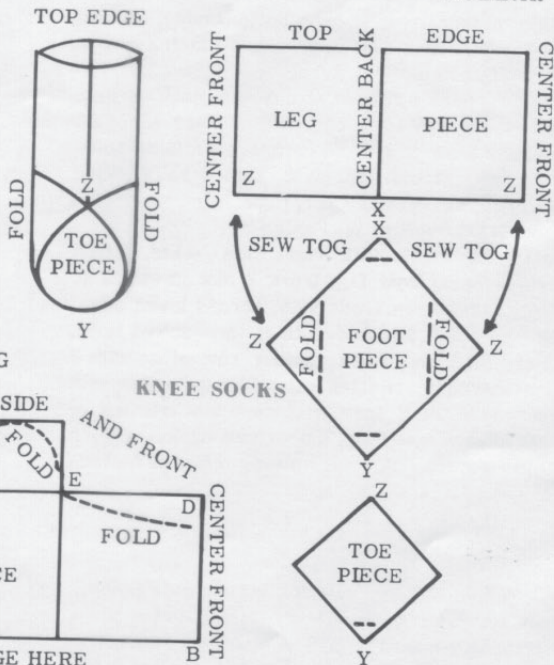

Do not turn, but ch 29 to measure about 5 1/2 inches for strap and turn. Work 1 sc in 2nd ch from hook and 1 sc in next ch, then shape buttonhole by ch 2, skip 2 sts on ch and sc into each st of ch to end. Fit Toe Piece into place (wrong sides facing) and baste into place, easing as necessary, matching Z and Y markings. Working from right side, crochet tog as basted with 1 row sc from Z down to Y and up other side to finish back at Z. Fasten off. Make a pom-pom for each sock and fasten securely at Z as pictured. Note: If you wish to use these socks with shoes, omit the pom-pom and sew the Toe Piece into place, rather than crocheting the pieces tog. Top Edging: With right side facing, attach yarn at center back of top edge. Row 1: Work 1 row of 24 sc around entire top edge. Join with sl st and turn. Row 2: Work 1 sc in each sc. Fasten off. Crochet Back Together: Bring tog and pin side piece and back piece at each side of Bonnet (see arrows on diagram), easing as necessary. Working from right side, attach yarn at B (see diagram). Row 1: Working through both thicknesses, single crochet piece tog up from B to A; then fold along seam from A to A and sc across this seam through both thicknesses. Fasten off. Make 4 pom-pons and fasten 2 at each front edge as pictured.

Ties: Following directions for Twisted Cord (see Soaker), cut 3 strands yarn 1 yard long for each side. Following directions, twist cords and fasten 1 to each front edge, as pictured.

SHOES (Make 2 alike)

Weave 1 large and 2 Jr. squares for each shoe. Fold heel piece in half along dotted fold line. Fit and sew to foot piece, to shape heel (see arrows on diagram). Turn corners C on foot piece and toe piece to wrong side, and tack edges lightly into place. Block pieces. Pin toe piece into place from side B to toe A and back to side B, easing as necessary. Sew tog as pinned. **Top Edging:** With right side facing, attach yarn on fold line, at center back of heel piece. Row 1: Work 1 row of 25 sc evenly around entire top edge, to finish back at center back of heel piece (this amount of sts should draw in shoe to shape). Join with sl st. Ch 1, turn. Row 2: 1 sc in each sc. Join and fasten off.

Strap (Make 2 alike): Ch 34 to measure about 6 1/2 inches. Work 1 sc in 2nd ch from hook, then form buttonhole by ch 2, skip 2 sts on ch, and continue sc in each ch to end. Fasten off. Sew on strap (the opposite end from buttonhole) for about 2 1/4" along heel piece fold

line at back of foot, making sure you make a right and left foot, and leaving remainder of strap free to go around ankle. Sew on buttons after adjusting fit of strap. Make a pom-pon for each shoe, and fasten securely to each toe piece, as pictured.
